

6th Global Congress on Neurology and Neurological disorders Nov 11-12, 2020 New York, USA

Dr. Sarah Smith

Doctor, Department of neurology, NH hospital for Neurology, UK; E-mail: ssmith85@gmail.com

We are glad for with success organising the “**Neurology and Neurological Disorders**” that was endured **November 11-12, 2020 New York, USA** hosted by Conference Series with the theme of “Future views and shaping trends in Gastroenterology”

The conference was inaugurated with the Excellences of keynote speakers

Title: A Glycated core of neuropathology

Gerald H. Lushington, USA

Title: Management of complicated neurofibromatosis

Shahid iftekhar sadique, India

After, with success organising the conference and receiving huge response and delightful comments from the attendees, we tend to ar aspiring to organize “[6th Global Congress on Neurology and Neurological disorders](#)” which is able to be command throughout November Nov 11-12, 2020 New York, USA, on the Theme of “ An insight into the Neurology”.
