We are hosting new edition "World Pediatrics Summit" in Barcelona, Spain on October 07-08, 2020. The theme focused for the Innovation and recent approaches in infant care and pediatric research.

Having you all with us for our [World Pediatrics 2020](#) is a matter of great joy and excitement. We look forward to you all sharing your incredible knowledge, research ideas and to make a sprinkle with new enhancements at this 2-days event. This time we have introduced some new highlights for our World Pediatrics 2020.

Pediatrics, Clinical Pediatrics, Neonatology And Perinatology, Pediatric Nutrition, Pediatric Nursing, Pediatric Surgery, Pediatric Allergy & Immunology, Pediatric Gastroenterology, Pediatric Oncology And Hematology, Pediatric Nephrology And Urology, Pediatric Cardiology, Pediatric Endocrinology, Pediatric Neurology, Pediatric Orthopedics, Pediatric Genetics, Child Psychiatry, Pediatric Pulmonology, Pediatric Obesity, Pediatric Dermatology, Pediatric Dentistry, Pediatric Ophthalmology, Pediatric Emergency Medicine, Pediatric Health Care, Pediatric injuries, Pediatric social stresses, Pediatric functional disabilities, Pediatric behavioral problems, Pediatric organ diseases and dysfunctions, Pediatric cancers, Pediatric genetic and congenital conditions, Pediatric infections, Pediatric developmental delays and disorders, Pediatric mental disorders.

The conference highlights of 2020 are as follows:

[World Pediatrics 2020](#) aims to bring all the pediatric professionals under all pediatric fields for our pediatrics meetings to interact and share their knowledge and their newest research to the entire pediatric Community

Also this time, World Pediatrics 2020 will be focus destination for the International pediatric Research Societies, Associations, and Organizations. This event will bring together Nurses, Doctors, Directors, Professors, Students from academia and researchers in the field of

pediatrics, Government officials and global leaders to push forward the pediatrics and Research.

Pediatric Event is expecting more than 200+ Participants to enlighten the program. This time the world pediatrics 2020 will organize several Oral and Poster Presentations/ Networking Sessions/Workshops/Symposiums/Exhibition as we have introduced several new tracks to bring in more participants. We are looking forward for the world pediatrics 2020 conference to be successful just as the [world pediatrics 2019](#) Conference!

We welcome all the [pediatric](#) Professionals, Delegates, Researchers, and Students to make your beautiful presence in Barcelona on October 07-08, 2020.

We are anticipating many Researchers, Professors, Directors, world Doctors, enrolled Dermatologists and Cosmetologists, medicinal services experts, Member of Association & Societies, Estheticians, Students, Pharmaceutical Companies, and Industrialists from the various research institutions, industries and laboratories across the globe.

We are looking for your presence as speakers as our attendees are looking to learn many things from the experts like you. Please submit your presentation paper along with the short biography so that we can add this to our program.

Privileges for Speaker:

- Can initiate/ conduct workshop based on your research expertise.
- Personal interaction with Organizing Committee Members, keynote speakers and other eminent personalities for your future course of work.
- Your abstract will be published in the Journals related to our conference.

- Each abstract will receive a Digital Object Identification Number (DOI) provided by CrossRef.

We need your kind co-operation to make this conference successful.
