

## Young Research Forum: Young Scientist Awards NEONATAL CARE 2020

### Yamini Tiwari

Assistant Professor, Vivekananda Global University, India, E-mail: [yamini.tiwari@vgu.ac.in](mailto:yamini.tiwari@vgu.ac.in)

Prestigious Award for Young Research's at NEONATAL CARE 2020-Discovering New Exploration in NEONATAL CARE 2020 field.

**Neonatal Conference Committee** is glad to announce “24th World Congress on Neonatology & Perinatology” during June 08-09, 2020 Bangkok, Thailand by focus on the theme: “New Horizons in Neonatology & Pediatric Care”.

NEONATAL CARE 2020 developments are maintaining their momentum. Neonatal Conference program delves into strategic discussions.

#### NEONATAL CARE 2020 Young Scientist Awards:

**Neonatal Conference Committee** is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of pediatric.

Young Research's Awards at NEONATAL CARE 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the NEONATAL CARE 2020 young research forum.

#### Benefits:

- Young Scientist Award recognition certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.

- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

#### Eligibility:

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher/Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 35yr
- All submissions must be in English.

Make a note only 25 slots are available in the above mentioned category so do not wait and confirm your participation at the earliest. Spots will be given on first come first serve basis.

#### Registration deadlines for the award are:

Last date for Early bird registration: December 30 – \$399  
Last date for Mid-term registration: January 30 – \$499  
Last date for registration: February 28 – \$599

**NEONATAL CARE 2020** provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join **NEONATAL CARE 2020** for promoting

your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our **NEONATAL CARE 2020** more successful.

#### About conference:

After the successful Completion of the "22nd World Congress on Neonatology & Perinatology" at Hong Kong, on September 19-20 2018, we feel fortunate to announce the "24rd World Congress on Neonatology & Perinatology" (NEONATAL CARE 2020) witnessing at Bangkok, Thailand , June 08-09, 2020.

It is primarily based upon the theme "**New Horizons in Neonatology & Pediatric Care**".

NEONATAL CARE 2020 is a two days conference that focuses on Interactive Speaker Sessions and Sub-Sessions description about innovation and novel trends on Neonatology and Perinatology. The Session includes keynote lectures from researchers, doctors, students and business consultants, poster competitions, B2B meetings, workshops and exhibitions.

**Scope of NEONATAL CARE 2020:** It aids to foster communication among researchers, practitioners and educators working in a wide variety of scientific areas and thus help in the development of research on Neonatology.

**Main sessions:** Neonatal Research, Neonatal Hepatitis, Neonatal Infectious Disease, Neonatal Meningitis, Neonatal conjunctivitis, Neonatal & Perinatal Care, Neonatal & Adolescent Medicine, General Pediatrics, Clinical Pediatrics, Neonatal cardiology, Neonatal Surgery, Neonatal Intensive Care Unit, Child and adolescent mental health, Birth Complications, Neonatal Syndromes, Maternal Fetal Medicine, Neonatal Nursing, Neonatal Nutrition.

#### Past Conference Report: Neonatal Nursing Congress 2019

Thanks to all our wonderful speakers, conference attendees, and Sponsors, Neonatal Nursing Congress 2018 Conference was our best!

30th Global Experts Meeting on Neonatal Nursing and Maternal Healthcare, hosted by the Conference series Group were held during May 14-15, 2018 Singapore at Holiday Inn Singapore Atrium, with the theme "Novel Advancement in Neonatal Nursing and Maternal Healthcare". Benevolent response and active participation were received from the Editorial Board Members of Conference series Journals as well as from the Scientists, Doctors, Professors, Nursing Lecturers, Nurses, Pharmaceutical Industries, Healthcare Industries, Researchers and Students from the fields of Healthcare & Nursing.

Conference Series is a blend of scientific research presentations and organizing national and international events which liaise with various research organizations, universities and individual scientists to host 3000+ Global Events in the year 2016-2017 at various beautiful destinations in USA, UK, Spain, Japan, Australia, France, Germany, Italy, UAE, Thailand, China and India the world. Conference Series has achieved incredible advancements in scientific field by building collaborations and association partnering with more than 1000 Scientific Associations across the world in a span of six years. Conference Series conferences calendar also include International Symposiums and Workshops which are arranged in parallel to the scientific-sessions have been organized worldwide where recent discoveries on a particular theme topic is discussed in the presence of eminent personalities working in the similar field area. These scientific conferences provide a stage to the researchers and business professionals to exchange the latest discoveries from across the globe.

Conference Series adds a fruitful contribution to the scientific community providing a free access to the highly accredited scientific data by publishing research researches in more than 500+ peer-reviewed Open Access journals. Conference Series boasts a readership base of 5 million members and has published more than 4 lakh

research papers with the help of 100,000 editorial board members and 35,000 reviewers in various fields of science.

#### **B2B meetings**

Alternative Healthcare Conferences International events organizes B2B meetings, scientific collaborations and partnership as a part of its international conferences with the intent to enhance as well as explore new business opportunities and to establish a global platform to interact with experts worldwide.
