

Prestigious Award for Young Research's at Stroke 2020 - Discovering New Exploration in Neuroscience field

BARON J C

Neurology Consultant, Department of Neurology, University of Paris, France E-mail: jean-claude.baron@inserm.fr

Neurosciences Conference Committee is glad to announce the "Annual Summit on Neurological Disorders and Stroke" December 14-15, 2020 in Dubai, UAE by a focus on the theme: "*Developing trends and modern diagnosis in Neurological Disorders and Stroke Treatment*" Stroke 2020 developments are maintaining their momentum. Neurosciences Conference program delves into strategic discussions.

Stroke 2020 Young Scientist Awards:

Neurosciences Conference Committee would be glad to give prestigious awards for talented young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. This platform provides a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Neurosciences.

Awards for Young Researchers at Stroke 2020: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Stroke 2020 young research forum.

Benefits:

- Young Scientist Award recognition certificate to the winners.
- Our conferences provide the best Platform for your research through oral presentations.
- Improve your career with all the latest technologies through networking.
- Young Scientists will get appropriate information by this Forum.
- A platform for collaboration among young researchers for better development.
- Opportunity to interact with the senior investigators across the globe in the field.
- Share your ideas with both eminent researchers from across the globe.
- It's an opportunity for young researchers to learn about new researches in the field for expanding their research knowledge.

Eligibility:

- Young researchers, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- The presentation must be into scientific sessions of the

conference.

- Each Young Researcher/Scientist can submit only one paper
- Age limit-Under 35yrs
- All submissions must be in English.

Criteria for Selection:

- Showcase your research through oral presentations.
- Develop your career with the latest research and technologies in your field.
- This forum will give appropriate information to those who conduct research and those who use it.
- Build a foundation for collaboration among young researchers.
- The forum will provide an opportunity to interact with senior investigators across the globe in the field.
- Share your ideas with both eminent researchers from across the globe.
- It's an opportunity for young researchers to learn about new researches in the field for expanding their research knowledge.
- Opportunity to gain more education and improve your career in the field.

Awards & Rewards:

- Showcase your research through oral presentations.
- Develop a career with the latest research and technologies in your field.
- This forum will give appropriate information to those who conduct research and those who use it.
- Build a foundation for collaboration among young researchers.
- The forum will provide an opportunity to interact with senior investigators across the globe in the field.
- Share your ideas with both eminent researchers from across the globe.
- It's an opportunity for young researchers to learn about new researches in the field for expanding their research knowledge.
- Opportunity to gain more education and improve your career in the field.
