Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

Past conference report:

The "International Conference on Euro Meet On Nursing Education & Research" hosted by conference series with the theme, "Leading Innovation for Better Nursing and Global Health Care" was successfully executed during October 07-08, 2019 in Rome, Italy. The conference offered a unique opportunity to investigators across the globe in order to meet, explore, network and perceive new scientific innovations. The conference received commendable and active participation was received from the Editorial Board Members of OMICS Group Journals as well as from the global scientists, Professors, Academicians, Researcher Scholars and students from diverse fields of nursing.

The two days event implanted a firm relation of upcoming strategies in the Nursing field with the scientific community. The conceptual and applicable knowledge shared, will also foster organizational collaborations to nurture scientific accelerations. The conference witnessed an amalgamation of peerless speakers, who enlightened the crowd with their enviable research knowledge and on various alluring topics related to the Nursing field. The highlights of the conference were the keynote forum by prominent scientists, of which the following topics were highlighted.

- "Nurses perception of their manager's leadership practices and relationship to quality of patient care, patient and nurse safety" Karen Eisler, University of Regina, Canada.
- "Nurses perception of their manager's leadership practices and relationship to quality of patient

care, patient and nurse safety Karen Eisler, University of Regina, Canada.

- The influence of labour and delivery experience on postpartum depression: The role of nursing care Franca Tani, University of Florence, Italy.
- Various sessions were chaired by: Gautam Sethi, National University of Singapore, Singapore

These are some of the few speakers who gave their fruitful contributions in the form of highly informative presentations and made the conference a top notch one.

Conference Series has taken the privilege of felicitating Advanced Nursing 2019 Organizing Committee, Editorial Board Members and Keynote Speakers who supported for the success of this conference.

Conference help full to the novel inventions and techniques. It was very beneficial for the surgeons, students, physicians, nurses, doctors, health care people, professors because it provides knowledge in the field. It also gives opportunities to the nursing societies in Indonesia to showcase their knowledge and have face to face meetings with scientists increasing their business opportunities and serves an opportunity to know about their market competitors also it helped to learn new approaches to clinical practice, fine-tune your skills, work with state-of-the-art technology and learn from professionals at the forefront of medical advance everyone who seeks to improve their institution's nursing program and learn about advanced technical skill. eminent personalities and experience inspiring talks in the field of Nursing and there will be a great affiliation of healthcare scientists, professors, nurse practitioners, health care researchers, nurse associations, registered nurses, doctors, and faculty of nursing during exciting round table discussions.
